About The Company

ITC Limited is a major Indian conglomerate headquartered in Kolkata, West Bengal, with a rich history spanning over a century. Established in 1910 as the Imperial Tobacco Company of India Limited, the company has undergone several name changes and a massive diversification to become the multi-business entity known today simply as "ITC Limited," where the letters no longer stand for an acronym. ITC operates across six key business segments: Fast Moving Consumer Goods (FMCG), Hotels, Paperboards & Packaging, Agri-Business, and Information Technology. The company is one of India's foremost private sector enterprises and is recognized as one of the country's most valuable corporations, reporting robust revenues and profits. The FMCG portfolio includes a wide array of popular brands such as Aashirvaad (staples), Sunfeast (biscuits and noodles), Bingo! (snacks), Vivel and Fama (personal care), and Classmate (education and stationery products). Beyond consumer goods, ITC is a market leader in the paperboard and packaging industry and runs a prominent chain of luxury hotels across India.
